

Learning with Trees Program volunteers needed!

Dear Parent/Guardian(s):

This year, our school will be participating in the Tree Trust Learning with Trees program (treetrust.org/programs/community-forestry/learning-with-trees/). This program, funded by CenterPoint Energy, helps schools develop outdoor environmental learning areas on their school grounds and provides opportunities for hands on, outdoor environmental education. Since 1992, Tree Trust has developed outdoor learning areas with over 185 Minnesota schools!

Learning with Trees is a year-long program that culminates in a school-wide tree planting day in the spring ~ a fitting way to begin the growth of a new environmental learning program.

If you are interested in volunteering, please fill out the cut off form and have your child return it to their teacher. **Please join us for a school-wide celebration at 2 p.m. on Monday April 30th outside the school!**

Thank you in advance for any help you can provide!

I would like to volunteer!

- Our Town Trees exhibit, week of April 16th to April 20th** – teach students about the benefits of trees using Tree Trust’s traveling exhibit “Our Town Trees”. Instructions provided.
Your student’s class will be participating for an hour on _____.
- Landscaping site prep on Saturday April 21st 9 a.m. to 3 p.m.** – help clean up the school grounds and prepare areas prior to our school-wide planting day. Any time commitment welcome!
- Tree planting day on Monday, April 30th** – help students plant trees and celebrate their accomplishments.
Your student’s class will be participating from _____.
Remember to join us outside later at 2 p.m. for the celebration!
- Summer watering** – help maintain the new trees by adopting watering for a week in the summer.
